

What Can I Expect When I Get There

The "OUTLET" offers two times a week that we will gather (on a regular basis): Sunday nights & Sunday Mornings.

On Sunday mornings we will meet in the Youth rooms (above the gym) at 9:00 am for a time of learning and discussion.

On Sunday nights, we will gather in the gym at 5:00 - 6:00pm.

We will have various things planned each week. But we will generally have some fellowship time together as well as group discussion time.

Plug In With Us

We hope that you will join us soon and help our group become even better and more fun.

After our Sunday morning time together, the group is encouraged to join in our weekly worship service so that we can grow in relationship with those in other small groups.

The One Place You Know You Can Always Plug In

Proverbs 3:5-6

Trust in the Lord with all your heart; don't rely on your own intelligence.

Know him in all your paths, and he will keep your ways straight.

You Can Always Plug In & Recharge Here

As young people, the world is constantly blasting you with obstacles and negativity: at school, on social media, television, everywhere we look we find it again and again. The "OUTLET" is a new take on an old concept: we want to offer a youth age small group that meets on Sunday nights and on Sunday mornings.

Trinity UMC will faithfully support this small group ministry in the hope that participants will grow in their faith, develop lifelong Christian friendships, serve the church and the community through missions, and have a great time together.

Trinity United Methodist Church is going to intentionally focus on this age group and do our very best to provide a positive, challenging and nurturing environment.

What is the "OUTLET"

"OUTLET" - is a one word reminder that, regardless of our age, station in life, that we are all in need of places to plug in. We use them all the time: for TV's, video games, and to recharge our phones. At Trinity UMC, we believe it is important for young people to have a place where they can come and recharge too.

How many times have you been out and your cell phone battery is so low you worry - or worse the battery goes completely dead.

OMG I Think I'm Gonna Die

Well ... we have something in common with our cell phones: our spiritual batteries don't last forever without charging either. After a long day or week, it's not just the ancient people (those over 35) that start running low. As young people, in this present time, you are experiencing more demands on your time and your schedules. The expectations from school are higher than they have ever been. Temptations and distractions are everywhere: with friends, online, you know.

The "OUTLET" is going to be a regular place that you can come and always feel welcome and leave the pressures of your daily life behind for a while. We are planning to spend time together learning to live better than the world tells us to. We are going to spend some time remembering what it's like to feel completely loved - the way Jesus told us to.

Is the "OUTLET" Right For Me

ABSOLUTELY

If you are looking for a place to recharge, chill out, and have a great time, then this is exactly where you want to be.

Our Sunday nights will include music, devotions, games, small group discussions, and anything else that the Lord leads the group to do. We will also be planning outings throughout the year: some social and fun, others missional and service oriented.

There's no doubt that we are going to be having a great time and we would love for you to come and join us sometime. Our group might be just what you need.
